ARINTO

ALGARVE — PORTUGAL

“Citrus and white fruit, wrapped in a subtle but persistent minerality. Grapefruit bringing tension, a marked salinity and good volume.”

ALGARVE NO COPO
RUI CALADO / WSET2

“Arinto leads with zesty citrus and mouthwatering freshness, softened by a touch of Antão Vaz, whilst a subtle saline note hints at the nearby Atlantic. Beneath, a chalky, schist-driven minerality adds finesse and length.”

“Refreshing and expressive with character and a distinct salinity on the finish – how is that possible?”

POINTS

“The first white wine from Vida Vinha, crafted primarily from Arinto with a small addition of Antão Vaz. A convincing debut, bringing together tradition, terroir, and modern winemaking.”
